

Audit and assurance services for Russian and Chinese businesses

We have been working with Chinese companies in Russia for many years. Our team offering audit services to Chinese businesses is a part of TeDo Chinese Desk. This team has been created to optimise our audit services focused specifically on Chinese clients that operate in Russia.

We have a strong understanding of the work and business culture practised by Chinese companies. We leverage our ample practical expertise to do our work quickly and efficiently.

Chinese companies in the Russian market

- Audit and review of group reporting forms for the purposes of Group audit
- Audit of financial statements of Russian legal entities under Russian Accounting Standards (RAS) and International Financial Reporting Standards (IFRS)
- Supporting clients during security issues at Russian stock exchanges
- Internal controls testing (C-SOX)
- Internal audit services
- Consulting on complex RAS and IFRS accounting issues
- Offering advice on accounting, regulatory and statutory compliance matters under RAS and IFRS
- ESG compliance

Russian companies in the Chinese market

- Preparing internal controls for attestation (C-SOX)
- Helping to find a reliable auditor in China. We always keep our database of Chinese providers updated and scrutinise the companies that we include in our endorsement list
